**DOCKET NO.

**ORDER GRANTING MOTION TO SUSPEND PROCEDURAL SCHEDULE**

---

This matter came before the Hearing Officer upon the *Joint Motion to Suspend Procedural Schedule* (the "Motion") in which ITC^DeltaCom Communications, Inc. ("DeltaCom"), XO Tennessee, Inc. ("XO") and BellSouth Telecommunications, Inc. request that the Procedural Schedule in this Docket be suspended pending the issuance of a written order by the Federal Communications Commission ("FCC") in FCC Docket No. CC-01-338 (the "Triennial Review"). The parties jointly maintain that the likelihood that the Triennial Review order will inform their discovery requests in this Docket is sufficient to justify suspending the procedural schedule as a matter of administrative economy.

Having read and considered the parties' *Motion*, it appears that postponement of the procedural schedule will likely avoid duplication of effort. Accordingly, the *Motion* is hereby granted.

The parties shall file an Issues List on the fourteenth (14th) day after the issuance of the Triennial Review order.<sup>1</sup> The Pre-Hearing Officer will schedule a Status Conference upon receipt of the Issues List.

**IT IS THEREFORE ORDERED THAT:**

1. The *Joint Motion to Suspend Procedural Schedule* is granted.
2. The parties are directed to file an Issues List on the fourteenth (14th) day after the issuance of the Triennial Review order.

  
Lynn Questell, Pre-Hearing Officer

<sup>1</sup> A joint Issues List is preferred.
